# Kindred Gas Bronco Heritage Edition

A classic, reimagined.

The Kindred Gas Bronco Heritage Edition elevates the iconic first-generation Bronco with thoughtful engineering, refined craftsmanship, and modern drivability. Built on an original 1966–1975 Bronco foundation, each vehicle blends vintage character with contemporary power, safety, and comfort. Designed to be driven, enjoyed, and trusted every day.

## FREQUENTLY ASKED QUESTIONS

**Is this an original Bronco or a reproduction?** Every Kindred Bronco is built from an original 1966–1975 Ford Bronco frame and fully restored while maintaining the original Vehicle Identification Number (VIN).

**Can I customize my Bronco?** Yes. Exterior colors, interior materials, wheels, tops, and accessories can be tailored to your preferences.

**Is the vehicle suitable for daily driving?** Yes. Modern drivetrain, braking, steering, and comfort upgrades make it reliable and easy to drive.

**What warranty is included?** A one-year limited warranty covers key mechanical and electrical components.

**How long does the build process take?** Build timelines vary by configuration and demand; a typical build will be 12-20 weeks based on configuration. Please contact Kindred Motorworks for current lead times.
